

EVERYONE
CAN ■

BE A WINNER
WITH US

At Everyone Can we help
enrich the lives of disabled
people through the power
of technology. Help us to
achieve our mission!

We're a small team and are always after extra support. Here's how you can get involved...

VOLUNTEER

Why not become a volunteer at our disabled gaming sessions in South Manchester. We have dozens of disabled children and young people who attend our sessions and volunteers are needed to help assist them on the games.

SPONSOR AN EVENT

We hold special gaming sessions for occasions such as Christmas, Easter and Halloween. Sponsors make these happen.

DONATE

We'd love you to donate, whether that's your time, equipment or financially. Visit our website for details.

FUNDRAISE

Fancy a challenge? Looking for a charity to partner with at work? From sponsored runs to dress down days at work, get in touch for a fundraising pack!

TAKE PART

Join in and play at fundraising events such as Game Together (a 24-hour gaming marathon) and Space Invasion (a one day gaming themed fundraiser).

Email us for dates and to register.
