**ENRICHING
THE LIVES
OF DISABLED
PEOPLE**

**We assess each individual and match
technology to their needs**

We're a charity
that specialise in
assistive technology

ASSESSMENTS
FOR DISABLED
PEOPLE

We help disabled people speak, control their environment, gain independence and have fun! By assessing each individual we find out how a person's disability is holding them back and how assistive technology can help them achieve their goals.

To book an assessment get in touch with us.
