GAME ON!

We hold FREE weekly gaming sessions for disabled children and adults at our centre in Manchester.

Let's play...

We help disabled people reach the **next level.**

HELPING DISABLED PEOPLE GAME TOGETHER

Our sessions are all about having fun, making friends and gaining confidence. If your disability prevents you from gaming we can adapt the technology, ensuring everyone can game!

OUR CENTRE

We have built a state of the art Technology and Gaming Centre, designed so that disabled children, their carers and families can experience the best gaming has to offer.
